## SEOC Daily Summary Report Page 2

the Commonwealth of Pennsylvania has sent a Type III Incident Management Team (IMT) to Howard County, Maryland. The team is there to assist with logistics support for a flooding incident in Howard County which occurred due to adverse weather that passed through Maryland last week. Maryland requested the deployment of the PA IMT be extended until 8/14/16. Replacement personnel deployed on Friday August 6th and will stay until Sunday August 14th. Those who are demobilizing returned yesterday August 7th.

**MANDATORY WATER RESTRICTIONS – Cameron County, 8/2/16** – Driftwood Borough instituted voluntary water restrictions back in July due to lack of rain and low flow conditions at their Nanny Run Reservoir. As of August 2, the borough is under mandatory water restrictions. The borough has applied to DEP for an emergency permit to use a well at the filter treatment plant to sustain the water system as needed. It is unknown how long it will take to process the permit or if DEP will give approval to use this well.

### **CLOSED:**

**ROAD CLOSURE – Berks County, 8/6/16** – Interstate 78 was closed in both directions between Exit 19 and Exit 23 in Upper Tulpehocken Township. This was a planned road closure to allow workers to remove portions of the Power Drive Bridge over the highway. The roadway was re-opened at 0400 on 8/7/16.

**MISSING/ENDANGERED PERSONS ALERT** – Adams County, 8/7/16 - The Pennsylvania State Police, Gettysburg Barracks, are searching for Junior Taylor, a 93 year old white male, and Jean Taylor, an 88 year old white female from Aspers in Menallen Township, Adams County. The couple left their home sometime on the morning of August 7th and are driving a navy blue Chevrolet Silverado truck, with PA registration YAL-8114. Police believe they may be at special risk of harm or injury. State Police found the couple sometime overnight and have reunited them with their family.

### **DISASTER DECLARATIONS:**

7/25/2016 – The Mayor of Dunmore Borough issued a Declaration of Disaster Emergency for the borough due to severe weather.

7/19/2016 – The U.S. Small Business Administration issued a SBA disaster declaration for Fayette, Greene, Somerset, Washington and Westmoreland counties for damages during the flooding event on June 17, 2016. The effective date is 7/19/16 and termination date for applications is 9/19/16. Economic Injury Disaster Loan (EIDL) application termination date is 4/19/17.

3/23/16 - The U.S. Department of Homeland Security's Federal Emergency Management Agency announced that federal disaster aid has been made available to the Commonwealth of Pennsylvania to supplement commonwealth and local recovery efforts in the area affected by the severe winter storm which occurred January 22-23, 2016. The designation is FEMA-4267-DR.

### National Weather Service, 0558 hours, 08/08/16:

High pressure, centered over Michigan early this morning, will track east across New York state today and tonight. This will provide Pennsylvania with fair and seasonable conditions today. Skies will range from sunny across the northern counties, to partly sunny in the south. Highs will be in the low to mid-80s. Lows tonight will range from the mid-50s across the Pocono Mountains, to the mid-60s across the southeast counties.

The high pressure system will drift off the coast on Tuesday, resulting in a more humid south to southeast flow. After a sunny start, clouds will increase by afternoon with a passing thunderstorm possible by late in the day across Western Pennsylvania. Highs Tuesday will be in the 80s and will be accompanied by a noticeable increase in humidity.
