ADVERSE WEATHER – Statewide, 10/21/16 – Heavy rain over a short time resulted in flash flooding in numerous north central counties. Sunoco is continuing to make repairs to

several sections of pipeline that have been washed out in Lycoming County. The County EOCs will be staffed during normal business hours while damage assessments are being conducted. PEMA staff will be conducting damage assessments in the affected areas starting 10/24/16. PA Department of Health accepted Mission #102282 to administer tetanus shots to property owners and recovery personnel in the flood affected areas of Sullivan County. Shots will be administered on October 28 and 29 at the Hillsgrove Fire Station. DEP is providing emergency permits in those areas until Friday and has also provided water test kits. Lycoming County has reached out to all of their municipalities to collect Disaster Declarations, DAP-19 forms and Equipment Usage Lists. Preliminary estimates from Centre, Lycoming and Sullivan counties indicate damage was more extensive than originally thought, with the Pennsylvania Department of Transportation (PennDOT) estimating damage in Lycoming and Sullivan counties between \$10 million and \$14 million. The Lycoming County EOC was operational from 0830 to 1630 hours on October 28, 2016. PEMA is supporting a Multi Agency Recovery Center in Centre County on 3 November 2016. Support to include the following agencies: PA Department of Health, IRS, PEMA Hazard Mitigation, PA Department of Insurance, and the PA Department of Environmental Protection.

24-hour Projected Weather Statewide:

National Weather Service, 0508 hours, 10/31/16

High pressure will be directly overhead today. Clouds in the south and east will be clearing out rather rapidly over much of the state. A few sprinkles or flurries will fall in the northeast early this morning, but should be done well before noon.

Temperatures will stay just a few degrees cooler than normal. Highs will range from the upper 40s in the higher elevations of the northeast to the mid 50s along the Maryland border. Lows tonight will run in the lower 40s in the west and the 30s elsewhere. Clouds may begin to increase from the southwest tonight and spread across the state on Tuesday.

A warm-up is in store for the Commonwealth through the middle of the week as the wind turns to the south and then west. Highs Tuesday will be in the 50s in the northeast but in the lower 70s in the west.
