MISSING PERSON – Sullivan County, 11/28/16 – A search is being conducted for an 83 year old white female, who was last seen at her residence on Pennsylvania Avenue in

Eagles Mere Borough. She is driving a blue Subaru Impreza with Maryland plates. Police believe this person may be at special risk of harm or injury.

FIREFIGHTER FATALITY – Fayette County, 11/27/16 - A 16 year old junior firefighter was accidentally shot and killed at the Republic Fire Station in Redstone Township. The firefighter was participating in a work detail at the fire station. Several EMS companies and police departments responded to the scene. The Pennsylvania State Police are conducting an investigation. The fire station is out of service for the next 72 hours. Mutual aid companies will cover the station's area of responsibility.

SINKHOLE – Lancaster County, 11/8/16 – A 20 foot sinkhole occurred at Pine Street and Park Avenue in Ephrata Borough. The sinkhole caused a water main and gas line break. The sinkhole has continued to expand forcing two nearby apartment buildings to be evacuated. Nineteen residents were initially displaced and were being assisted by the American Red Cross. Six residents from the apartments located on the 200 block of the W. Pine Street building have been allowed to return. The Park Avenue apartment must have its foundation inspected to determine if it is safe for residents to return home. The inspection will not be performed until after the utilities are stabilized sometime next week. The sinkhole is approximately 100' x 60' with a cavern at least 60' deep. A Declaration of Disaster has been issued by the borough effective 11/8/16. Construction work on the site is still in progress. Geophysical surveying results are complete and have been presented to the borough. A Right of Entry was granted and the Borough now has the property owner's permission to access right of way to perform work. A structural engineer will perform an inspection on the apartment building today, 11/29/16. Residents may be able to move back in on Wednesday, 11/30/16.

ADVERSE WEATHER – Statewide, 10/21/16 – Heavy rain over a short time resulted in flash flooding in numerous north central counties. The Department of Environmental Protection (DEP) provided emergency permits and water test kits in affected municipalities. Lycoming County reached out to all of their municipalities to collect Disaster Declarations, DAP-19 forms and Equipment Usage Lists. Preliminary estimates from Centre, Lycoming and Sullivan counties indicate damage in the range between \$10 and \$14 million. PEMA supported a Multi-Agency Recovery Center in Centre County on November 3, 2016. Support included the following agencies: PA Department of Health, IRS, PEMA Hazard Mitigation, PA Department of Insurance, and DEP. As of 11/1/16, Sunoco Logistics continued work on the pipeline by beginning hydro testing on an area south of the damaged section. Water for the hydro testing is being brought in and removed by truck and is recycled in coordination with DEP regulations. Current water monitoring results confirmed safe drinking water supplies. Air quality tests detect no hazardous levels. As of 11/2/16, all county EOCs have stood down. The Governor of Pennsylvania has requested a Major Disaster Declaration for Public Assistance (Cat A-G) for four counties and Hazard Mitigation statewide due to severe storms and flooding that occurred. On November 21, the U.S. Small Business Administration (SBA) approved disaster assistance for Centre and Lycoming counties, as well as the contiguous counties of Blair, Bradford, Clearfield, Clinton, Columbia, Huntingdon, Mifflin, Montour, Northumberland, Potter, Sullivan, Tioga, and Union.

CLOSED:

WATER RESCUE – Warren County, 11/28/16 – A vehicle at the Webb's Ferry boat launch in Elk Township was discovered in the water with its door open and a boat capsized nearby with no operator around. After a search, the body was discovered and the coroner was called to the scene.
