

STATEMENT OF AGREEMENT

(One per each Certified Hazardous Material Response Team)

We, the undersigned Commissioners of _____ County, do hereby state that we have met with representatives of _____, a state-certified hazmat team, to discuss continuation of hazardous material response coverage within our county. Based upon those discussions, we have agreed that said team will continue to provide response coverage until our agreement has changed. The representatives of _____ have agreed to notify us if the team has not received state re-certification. Copy of the contract is maintained with the county EMC.

-OR-

We, the undersigned Commissioners of _____ County, do hereby state that we have met with representatives of _____ to discuss hazardous material response coverage within our county. Based upon those discussions, we have agreed that, should the applicant receive certification from Pennsylvania Emergency Management Agency, _____ County intends to contract with the applicant's Hazardous Materials Response Team to provide coverage within our county. When executed a copy of said contract is maintained with the county EMC

It is our understanding that should the applicant not receive certification or become de-certified, _____ County must take other action to remain in compliance with the requirement in Section 209(e) of Act 1990-165, as amended.

This form is not required for counties who organize, manage and support a volunteer state certified hazardous material response team.
