Dear (Mr./Mrs./Ms.)\_\_\_\_\_:

The proposed Hazard Mitigation Grant Program in (Township, Borough, etc.) has been reviewed. We have considered all the factors associated with the acquisition and demolition of the properties included in this project. It has been determined that there will be no adverse impact on any low income or minority individuals within the project area or community. In addition, there are no floodplain management, land-use/zoning, or health and safety issues in this project.

Sincerely,
