**OPEN:**

**MANDATORY WATER RESTRICTIONS – Cameron County, 8/2/16** – Driftwood Borough instituted voluntary water restrictions back in July due to lack of rain and low flow conditions at their Nanny Run Reservoir. As of August 2, the borough is under mandatory

## SEOC Daily Summary Report Page 2

water restrictions. The borough has applied to DEP for an emergency permit to use a well at the filter treatment plant to sustain the water system as needed. It is unknown how long it will take to process the permit or if DEP will give approval to use this well. As of August 10, readings were 17.5 inches below the top of the reservoir. The borough is working on getting a well pump with non-drinkable water for fire suppression if needed.

**EMAC REQUEST/PA IMT RESPONSE – Maryland, 7/31/16** – In response to an Emergency Management Assistance Compact (EMAC) request from the State of Maryland the Commonwealth of Pennsylvania has sent a Type III Incident Management Team (IMT) to Howard County, Maryland. The team is there to assist with logistics support for a flooding incident in Howard County which occurred due to adverse weather that passed through Maryland last week. Maryland requested the deployment of the PA IMT be extended until 8/14/16. Replacement personnel deployed on Saturday, August 6th and will stay until Sunday August 14th. Those who are demobilizing returned August 7th.

### **CLOSED:**

None

### **DISASTER DECLARATIONS:**

7/25/2016 – The Mayor of Dunmore Borough issued a Declaration of Disaster Emergency for the borough due to severe weather.

7/19/2016 – The U.S. Small Business Administration issued a SBA disaster declaration for Fayette, Greene, Somerset, Washington and Westmoreland counties for damages during the flooding event on June 17, 2016. The effective date is 7/19/16 and termination date for applications is 9/19/16. Economic Injury Disaster Loan (EIDL) application termination date is 4/19/17.

3/23/16 - The U.S. Department of Homeland Security's Federal Emergency Management Agency announced that federal disaster aid has been made available to the Commonwealth of Pennsylvania to supplement commonwealth and local recovery efforts in the area affected by the severe winter storm which occurred January 22-23, 2016. The designation is FEMA-4267-DR.

<b>Ohio:</b>	No significant events at this time.
<b>West Virginia:</b>	No significant events at this time.

### **24-hour Projected Weather Statewide:**

#### **National Weather Service, 0442 hours, 08/11/16:**

A persistent warm and humid air mass will result in the daily development of scattered showers and thunderstorms through the remainder of this week and the upcoming weekend.

Low clouds, warm overnight temps, along with the recent rainfall will make the region feel muggy this morning. Today will feature more of the same, with scattered showers and thunderstorms redeveloping under partly sunny skies. It will be warm and humid, with
